

Waiakei District Health Services Trust

Oamaru Hospital
Private Bag 50059
8 Steward St Oamaru

Mission Statement

The Trust supports the Waitaki District Health Services Ltd mission in the delivery of high quality hospital based and community health services to the people of the Waitaki District.

Waiakei District Health Services Trust

Our Trust was established from money donated over the years to support the Oamaru Hospital. A Board of Trustees governs the fund and makes grants to support the Hospital & District Health Services. These are important in maintaining the quality & range of health services our community enjoys.

The Oamaru Community Hospital

The Oamaru Community Hospital provides free hospital care and other health services to people living throughout the Waitaki District.

The perfect way to help

Government funding provides much of our income but there is much more that could be done to improve the health care of people living in the Waitaki District.

Contributing to the Trust with a bequest will help us to maintain and enhance our services.

A bequest is an excellent way to contribute to your hospital, and the services it provides.

Changes to your will

You will need to see your solicitor to change your will to make a bequest.

If you wish your solicitor will advise the Trust of your bequest.

Form of Bequest

The wording for a Gift to Waiaki District Health Services Trust is:

"I give to Waiaki District Health Services Trust, Oamaru
\$ _____

or _____ % of the residue of my estate;

or I nominate the following assets

I wish to gift for the general purposes of the Trust, for which the receipt of the Chief Executive Officer, or other proper officer, shall be full and sufficient discharge to my trustees."
